Sub: 68th Annual Session of Indian Roads Congress to be held at Jaipur (Rajasthan) from 16th to 19th November, 2007 – Nomination of Delegates

Sir,

I am to intimate that on the invitation of the Govt. of Rajasthan, the 68th Annual Session of Indian Roads Congress will be held at Jaipur (Rajasthan) from 16th to 19th November, 2007.

The Government of India, Ministry of Shipping, Road Transport & Highways have addressed vide their letter No. NH-18020/4/2007-P&M dated the 31st August, 2007 separately to all the State Govts. /Administrations of Union territories (Departments dealing with Roads)/various Ministries/Departments concerned to nominate Senior and Junior delegates to participate in the above mentioned Session.

The Indian Roads Congress would be grateful if your Government/Department kindly nominate a good number of Senior and Junior delegates to participate in the above mentioned Session as early as possible and also arrange to remit in advance the registration fee (delegation fee) @ Rs. 1500/- per Senior delegate and Rs. 1200/ per Junior delegate before the 31st October, 2007. Registration is valid only after the remittance of registration fee. No refund of the registration fee is admissible for official delegates irrespective of the date of cancellation. However, the Government/Department concerned can substitute the names of new delegates in place of those whose nominations are cancelled.

We shall be grateful if the names, designations and full addresses of delegates are kindly intimated to us alongwith the complete nomination list before the 31st October, 2007. If there is some likelihood of delay in finalizing the nomination list, the number of delegates may be intimated immediately, as this information is required for making adequate arrangements for accommodation of delegates. Copy of this information may also be endorsed to Shri G.N. Sharma (Local Organizing Secretary – 68th Annual Session of IRC), Superintending Engineer, PWD City Circle, Jacob Road, Jaipur – 302006 (Rajasthan).

Further, it is suggested that in addition to officers whom Government/Department may like to nominate to attend this Session, the official delegation may include:

- (i) All the Authors of Papers published under Discussion Section in Volume 68 Part – 1, 2 & 3 of the Journal of the Indian Congress. The inclusion of Authors in delegation will not only enable them to present their views at the time of discussion, but will also greatly encourage them to make similar contributions in future.
- (ii) Members of Council and those of the Technical Committees and Highways Research Board of the IRC, which are meeting at the Session.

- (iii) Officers working in Central and State Road Research Laboratories who have either contributed towards compilation of Road Research Reports or can contribute to the discussion on General Report on Road Research.

In case the delegates nominated are not members of the IRC, they may also kindly be advised to become member immediately as under the rules, only members of the Indian Roads Congress can attend the Session.

Qualified engineers under Local Bodies, Municipalities and Improvement Trusts as well as qualified engineers serving as Professors and Lecturers on the strength of Government Engineering Colleges, IITs may also nominated as official delegates provided they are / or become the members of the Indian Roads Congress. Such delegates will in accordance with the previous practice draw their traveling and halting allowances from the administrations concerned. The concerned administrations will also pay in advance the registration fee (delegation fee) to the Indian Roads Congress @ Rs. 1500/- per Senior delegate and Rs. 1200/- per Junior delegate.

We will appreciate if a greater number of Junior delegates than in the previous years are kindly nominated and as far as possible, their number should be equal to the number of Senior delegates. While nominating Senior delegates, the Govts. Should also ensure that suitable percentage of Executive Engineers is also included in the delegation.

In addition to official delegates (Senior & Junior), as in the past, those Engineer Officers who may be keen to attend and participate in the deliberations of the 68th Annual Session at their own expense may kindly be permitted to do so and their attendance as non-official delegates be treated on duty. Such delegates will also be required to pay Registration fee as specified.

Enclosed herewith please find 2 copies of the Invitation Booklet containing programme and details of the arrangements of the 68th Annual Session with the request that this may kindly be passed on to the Engineer Officers whom you may be nominating as delegates for this Session.

Enquiries about the local arrangements for the 68th Annual Session to be held at Jaipur (Rajasthan) from 16th to 19th November, 2007 may be addressed by the delegates to Shri G.N. Sharma (Local Organizing Secretary – 68th Annual Session of IRC), Superintending Engineer, PWD City Circle, Jacob Road, Jaipur – 302006 (Rajasthan).

Enc: As above.

Yours faithfully,

(S.C. Kakkar)
