D.O. No. M-13048/36/2005/SP-DoNER

Dated 9.5.2007

Dear *Smt Singh,*

This refers to your d.o. letter No. 2/27/2007-IC dated 1.12.2006 regarding "in principle" approval of Planning Commission for ADB assisted North Eastern State Roads Projects (NESRP).

The proposal has been examined, including in the light of discussions held on 16.3.2007 in Planning Commission. We accord 'In principle' approval to the ADB assisted North Eastern State Roads Project (NESRP) for the identified road length of 1290 kms in 8 states of NE.

As regards the funding, the project components would be implemented by the respective state governments under the supervision of DoNER. It would be 100% Centrally Sponsored Scheme. The budgetary provision for the scheme would be within the GBS of DoNER and the fund would flow from DoNER to State consolidated funds as in the case of other 100% CSS. While 70% of the project cost would come from ADB, balance 30% would be met out of NLCPR accrual as a special arrangement.

Other points including the final list of roads, as agreed upon in the aforesaid meeting of 16.3.2007 (copy of minutes enclosed), would be applicable.

*With regards.*

Yours sincerely,

  
(A.N.P. Sinha)
