

No. CS(PWD)1/2009
Dated 21st December 09

Dear [

Sub :- Immediate acquisition of land for Trans-Arunachal Highway and District connectivity road.

You may recall that during the meeting held on 18th December 09, the general consensus was that reasonable compensation should be paid to the land owner for acquisition of land for the purpose of Trans Arunachal Highway and district connectivity.

You may be aware that under Section 10 of Jhum Land Regulation, 1947, Government may acquire any Jhum Land required for a public purpose without formal acquisition proceedings by giving an opportunity to those having rights in the land and after payment of a reasonable compensation.

Therefore, you may follow the procedure prescribed under Section 10 of the Jhum Land regulation, 1947 for the purpose of immediate and time bound acquisition of land in connection with construction of Trans Arunachal Highway and district road connectivity wherever deemed necessary.

With regards,

Yours sincerely,

(Tabom Bam)
