Sir,

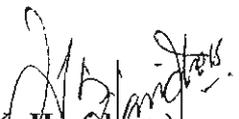

Recently we had a presentation in the Planning Commission regarding the 11th Plan proposal as recommended by the Working Group. In view of the above you are requested to submit a road network programme of the State roads, NEC completed 5th, 6th, 7th, 9th, ongoing 10th Plan roads network and the proposed 11th Plan roads under NEC. The SARDP, PMGHY, NLCPR road network also may be submitted **in a digital format** so that the same can be presented to the Planning Commission for explaining the importance of the 11th Plan proposals under NEC (List of 11th Plan road schemes as recommended by the Working Group is enclosed herewith for ready reference).

The Planning Commission also requested to issue a certificate under the State level stating that the 11th Plan proposal proposed under NEC road are not included under SARDP, PMGHY, NLCPR etc.

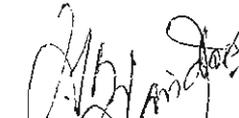

This information is urgently required so that the matter can be taken up with the Planning Commission for approval of the 11th Plan at the earliest. Since the information is urgently required the same can be send by the special messenger.
